August 2024

Dear Sisters:

WELCOME REVEREND FR. BRIAN ATIENZA, GRAND CHAPLAIN:

It is with great pleasure that I welcome and introduce Fr. Brian Atienza, our new Grand Chaplain.

Reverend Father Brian Joseph Cabrera Atienza is a priest of the Diocese of Sacramento, California. He was ordained at the Cathedral of the Blessed Sacrament on the 27th of May 2002. Father Brian was born in Manila Philippines. He is the oldest of four children. He did his elementary and high school at the University of the Philippines Integrated School. He studied at the University of the Philippines College of Social Science and Philosophy for two years majoring in Philosophy. During his sophomore year at the university, he entered San Carlos Seminary, Makati City, Philippines where he received his Bachelor of Arts in Philosophy degree in 1997. That same year, he was accepted as a seminarian for the Diocese of Sacramento. Father Brian entered Saint Patrick's Seminary for his theological studies where he received his Master of Divinity degree in Theology (MDiv), Bachelor in Sacred Theology (STB), and Master of Arts in Theology (MA). After ordination, he was appointed as parochial vicar at Saint Joseph Parish in Elk Grove (2002-2004). Father Brian was subsequently appointed as parochial vicar at Saint Philomene Parish in Sacramento (2004-2005). Bishop William Keith Weigand appointed Father Brian to be the Director of Vocation for the diocese. He held this position from 2005-2009. In 2009, Bishop Jaime Soto appointed Father Brian as parochial administrator and later as pastor in 2011. Father Brian was appointed pastor of Saint Joseph Parish (Elk Grove) in 2012. Bishop Jaime Soto sent Father Brian to the Catholic University of America in 2016 where he studied for his Licentiate in Canon Law (JCL). Father Brian has been ministering in the Tribunal of diocese since 2018 and Parochial Vicar of Sacred Heart Church in Sacramento since 2023.

Father Brian's history with the Young Ladies Institute goes all the way back to his time in seminary formation. He received financial support from the YLI of Saint Isidore Church in Yuba City. This helped supplement his academic and personal needs while in formation. However, the most important support he received from YLI were the prayers that sustained him to reach ordination. The same prayers continue affect Father Brian's ministry and life as priest to this day.

CONVENTION IN RENO, NEVADA was very busy, interesting and informative with the proposed constitutional amendments, committee reports, interesting program speakers and eulogies for our dear Past Grand Presidents. All amendments adopted become effective sixty (60) days (or September 16, 2024) after the close of Grand Institute.

As we look back, we had lots of fun as we spent time renewing friendships. Convention has become a wonderful memory for all who attended. I am grateful that many were able to attend in person, via Zoom or Live Stream.

Our sincere appreciation and congratulations to Convention Co-Chairmen Crystal Conner and Allyson Pervoe and their convention committees. Congratulations to Convention Program Chairman Joanne Muniz for her efforts. The theme of the convention "**Blast from the Past**" set the pace and everyone left renewed and enthusiastic about the year ahead. What wonderful memories we have to share with our members back at our own Institutes!

CONGRATULATIONS to Past Grand President Esther Vasquez and her Grand Officers for a wonderful year, and their tireless efforts on our behalf.

CONGRATULATIONS to Grand President Debra Ramirez-Cruz and her corps of Grand Officers. We are looking forward to a year full of enthusiasm and know that they are ready to be of service to us.

GRAND PRESIDENT'S PROGRAM MESSAGE FROM CHAIRMAN PATRICIA MCGUIRE:
Our Grand President has chosen "The Power and Glory of Music" as her program this year. Information regarding this year's Grand President's program was distributed to all delegates during convention.

GRAND SECRETARY'S MESSAGE: Please note that my goal is to email the Grand President's letter to all Institute Recording Secretaries, Grand Officers, Past Grand Presidents, District Deputies, Institute Deputies and Committee Chairmen, depending on their email availability. It will take a couple of weeks to refine the email process as I review the Institutes' Officers' lists. Please send your lists if you have not done so already. To date, I have received 27 out of 68 officers' lists. If you did not receive this letter via email, and would like to, please send me an email letting me know your preference. Those without email will continue to receive correspondence by mail.

REMINDER TO FILE IRS 990N AND CA FTB 199N: To continue operating as a legitimate tax-exempt charitable organization, all Institutes are required to file the 990N for the IRS and the CA FTB 199N for California institutes. Both of these forms can only be filed online. Your Federal and State filing year is from April 1 through March 31. Confirmation "ACCEPTED" copies must be sent to the Grand Secretary as soon as possible. To date, I have received 50 "ACCEPTED" copies. Please call June McJunkin or Pat McGuire if you have questions. Thank you.

committee members for the program? As shown our challenge is to support an environment where music and the arts are available to everyone. How do we start? As with many new things, it starts with education. Researching this topic can help us to understand the benefits of music and how it affects different age groups. Next, has your Institute decided to focus on a particular age group? Congratulations! You are on the right path to address the Power and Glory of Music!!! If you have any questions, please have your Chairman contact Pat McGuire, Program Chairman.

December 2024 ~ January 2025

Dear Sisters:

Please note this letter covers both **December 2024 and January 2025**. As we celebrate the joyous season of Advent and look forward to welcoming the New Year 2025 with family and friends, let us pause a moment to reach out to our YLI sister members who are ill or alone and are in need. A simple prayer, a short telephone call, or a greeting sent via mail or email can help share sisterly love and kindness to brighten their day.

BOARD OF GRAND DIRECTORS MEETING:

As you know, the Board of Grand Directors meeting was held on November 2 with the Remembrance Mass celebrated at 11:00 am at St. Francis of Assisi Church in Sacramento, CA. It was a lovely mass with the names of Golden Jubilee Burse card recipients carried up to the altar.

Board Meeting Highlights

- The Board approved Grand Institute's purchase of a Zoom annual subscription.
- Grand President Debra appointed a Convention Location Search Committee to explore options for the next convention in 2026.
- Exciting plans are being made by Districts 8 and 19 for the 2025 convention with the theme "Sing the Praises of YLGI". It will be held in Reno, Nevada at the Silver Legacy from July 21 -23, 2025 (Monday through Wednesday with the Symposium on July 24, 2025). Please mark your calendars. More information will be distributed at the March Board meeting in the spring.
- Spring Board of Grand Directors Meeting will be held on Saturday, March 1, 2025, and District Deputy Orientation will be held on Saturday, August 23, 2025.
- The 2025 YLGI trip is a 16-Day Panama Canal cruise from January 8, 2026 – January 24, 2026, on the Island Princess. The cruise will be going through the Historic Canal, with exciting port-of-call destinations. This cruise leaves from Los Angeles and ends in Ft. Lauderdale, FL. Call Rhonda Kersting for more information and specific pricing.

QUARTERLY REPORTS for the quarter ending **December 31, 2024**, are due **January 31, 2025**, with the quarterly Per Capita Tax of \$3.50 per member, Grand Institute Assessment of \$0.25 per member, and Death Assessment of \$1.05 per beneficial member. The check should be made out to Young Ladies' Grand Institute and two (2) copies of the report sent to this office within 30 days after the end of the quarter.

GOLDEN JUBILEE BURSE PRESENTATIONS: Institutes are continuing to support the Golden Jubilee Burse. Institute donations must reach the Grand Secretary's office in a timely manner.

Any donation presentation before March 31st must reach the Grand Secretary's office at least thirty days ahead of the planned presentation (i.e., February 10 by January 10; March 7 by February 7).

If your presentation is after March 31st, your contribution must reach the Grand Secretary no later than March 1st so the funds can be accounted for prior to March 31st which is the end of our fiscal year.

Please contact the Grand Treasurer if there is a reason your donation will be late reaching the Grand Secretary's office. We will work on a solution together.

As shared by Grand Director Josie Garcia, “A part of her lives on in all of us. She touched so many lives. May she now rest in peace.”

Grand President's Program
"The Power and Glory of Music"

The following information is provided by
Patricia McGuire, Chairman,
Grand President's Program

I know that you have been immersed in the multitudes of ways students can be affected by the power and glory of music. The Mr. Holland's Opus Foundation provides another option to consider. Please read on if you are interested.....

[ABOUT US – Mr Holland's Opus Foundation \(mhopus.org\)](http://mhopus.org)

How many of you have seen the movie "Mr. Holland's Opus"? The movie was made 28 years ago and was the catalyst for the creation of a namesake non-profit. This foundation has changed the lives of hundreds of thousands of kids by giving them access to learn and play music in school--keeping music education alive and strong.

What does the foundation do?

- Donates high quality musical instruments to deserving under-funded music programs.
- Provides support services to school districts (read more to discover details...)

How can music impact a child's education?

- Music's role in a child's education is key in engaging them, sparking their creativity and unique voices and improving their overall enjoyment and success in school.
- A vibrant music-rich curriculum makes an immense difference in their lives.
- Adding music to a child's life is like watering a flower. It makes a child grow in so many ways that it is imperative that music education programs are kept alive (Michael Kamen)

My purpose in sharing this link is to provide information concerning the foundation:

- Provides grants and services
- Provides Adopt a School programs
- Shares information regarding Music Rising which addresses areas affected by destruction caused by catastrophic hurricanes. This is accomplished by replacing musical instruments lost or destroyed by the deluge. It can help students return to a normal life following the destruction.

Please visit this website if you are interested in learning more about another way to help students gain access to the power and glory of music.
