

# YOUNG LADIES' GRAND INSTITUTE

## Scholarships 2025-2026

The Constitution outlines the numerous scholarships available to YLI members who would like to further their education along with the requirements for applications in Article XVII, Section 1.

Scholarships promote an invitation for women to become members of the Young Ladies' Grand Institute. The availability of scholarships to all those who are eligible is an excellent opportunity to make a positive impact and open doors to higher education that might otherwise be closed due to the financial barriers.

All applicants must be members of YLI for at least one year and in good standing. The deadline for submitting scholarship applications is March 31<sup>st</sup> of each year. Application forms are available from the Grand Secretary or on the website [WWW.YLionline.org](http://WWW.YLionline.org). Only one application is needed to be considered for scholarships, please do not send a separate application for each scholarship. The committee may grant a scholarship outside of the specified qualifications. **It is required that each applicant submit an essay with information regarding financial need and personal or educational goals.**

*Frani Dimond Scholarship Chair*

**Each of the following scholarships are awarded on an annual basis:**
